This is a work of fiction. The characters, organizations, and events have no relation to reality.

The story so far...

Club staff Ogata, who can't keep relationships because of his expressionless face grows close to Saya, a regular at the club who can easily read his expression and is only interested in picking up girls. Saya, who loses the club's locker key, is cooking breakfast for Ogata in exchange for the security money he borrowed. Gradually, Ogata begins to think that Saya is cute, and at last he masturbates while imagining him.
